

## Welcome!

Welcome to The Purple Cow: Coffees, Confections & Cocktails. My name is Lisa J Bernstein, but most everyone in my life calls me “Bernie.” The Purple Cow is the culmination of over 20 years of dedicated work in Hilton Head’s food and beverage community and an homage to my Mother who passed away in 2013.

Having always been a believer that you should love what you do, I decided to turn my passion for baking into a business. A side venture baking cheesecakes has now turned into The Purple Cow!

In 2008 I began baking perfect individual cheesecakes called “Baby Cakes.” Using only the finest ingredients, you can always count on a variety of delicious flavors and the size makes them perfect for sharing (or not). Featured here at The Purple Cow, you’ll find Baby Cakes are also offered at various local restaurants.

### The Purple Cow?

*A Purple Cow* is a Doris Day song that our Mom would sing to us almost up until the day she passed away. She was the best person I ever knew and truly was my best friend. In honor of her, The Purple Cow was born!

(See the lyrics to *A Purple Cow* on the back page.)

### The Purple Cow

*Fred Spielman / Paul Francis Webster*  
*Sung by Doris Day - 1953*

The very day the day we kissed  
I went to see my oculist  
The oculist said “I insist, it looks like love”

I never thought I’d ever see a purple cow  
I never thought I’d hear a butter fly meow  
I never thought I’d see these funny things somehow  
But you’ve got me seeing them now

I never thought I’d ever see a green giraffe  
I never thought I’d ever see a waltzing calf  
I never thought I’d see a weeping willow laugh  
But you’ve got me seeing them now

Ev’rything’s hazy, upside down above  
Don’t think I’m crazy  
I’m in Love, I’m in Love, I’m in Love

I never thought I’d ever see a purple cow  
You gotta be in love to see a purple cow  
But since the day you kissed me, baby  
Take a bow, ‘cause you’ve got me seein’ one now

I never thought I’d ever see a purple cow  
You gotta be in love to see a purple Cow  
But since the day you kissed me, baby  
Take a bow, ‘cause you’ve got me seein’ one now  
Better than bein’ one  
You’ve got me seein’ one now

*The Island just got sweeter.*
